DAYS OF WINE AND SUNSHINE

Park City Wine & Food Classic

Midsummer in Park City is magical, and never more so than when your sunny days are filled with food and wine. July 9-12 is the **5th Annual Park City Food & Wine Classic**, and the restaurants, resorts and streets of Park City will be filled with master winemakers, part-time tippers, culinary experts and amateurs, and distinguished guests, all tasting, dining and learning about the joys of the grape and the plate. Last year's festival featured nearly 70,000 wine, spirit, beer and food samplings. For more information, go to parkcityfoodandwineclassic.com. —MBM
